

Merrimack Cardinals Football and Spirit

Needs YOUR Help!

The Merrimack Cardinals Football and Spirit Program is a non-profit organization that serves over 200 Merrimack children, from ages 5-13. The Merrimack Cardinals have been a proud youth sports organization in Merrimack, NH since 1973. You or someone you love may have Cardinal blood and pride running inside. We are reaching out to our local community to help meet our fundraising needs. We are a registered non-profit 501c3 organization, meaning your sponsorship donation is 100% tax deductible.

The Cardinals Program is entirely organized and run by volunteers. 100% of our fundraising efforts go into the Cardinals Program in order to be able to provide the children with updated equipment to keep players safe on the field. This includes new or replacement uniforms, first aid supplies and training, maintenance of both practice and game fields, referee costs, indoor practice facilities, trophies and awards, new cheer mats as well as other expenses to ensure a safe and successful season.

This year as you review all the many requests you receive, I hope you will consider becoming a sponsor, making a donation towards the program in general or towards our Scholarship Program. Any way you could help will make a difference for the children of the Merrimack Football and Spirit Program.

First and foremost, we are in need of monetary donations.

We are also in need of gift cards or other items to be used as prizes for our fundraiser events such as a raffle calendar and trivia night. This is a great way to get your business' name out there and bring customers directly to you!
